About Innovedica Foundation

Innovedica Foundation is an award-winning think tank dedicated to building a sustainable future through innovation, science-based knowledge, and holistic development. Guided by the philosophy of Harit Swaraj, it blends Vedic wisdom with modern practices in agriculture, health, water, and entrepreneurship.

The Foundation focuses on key areas such as sustainable agriculture, public health, inclusive finance, renewable energy, water conservation, circular economy, alternative education, and social entrepreneurship, aligning its efforts with CSR goals and national development priorities.

Our Work Includes:

1. Youth4swaraj

Harit Swaraj

- Sustainable Agriculture and Livelihood- Krishi Swaraj
- Health and Well-being – Health Swaraj
- Water conservation- Jal Swaraj
- Circular Economy- Gram Swaraj
- Renewable Energy- Urja Swaraj

Skill Development & Social Entrepreneurship

2. Nanhi udaan (alternative education)

- Technological Leapfrogging - Alternative Education

3. ReBuild India @ 2047

- Social Inclusiveness & strengthening the Govt. Institutions
- Research Publications
- Ecological service - Environmental Assessment & survey

4. Antyodaya Welfare Programme

- Direct welfare interventions—langars, clothing distribution, charity to individuals, old age homes and support to government-linked organisations.

YOUTH4SWARAJ

Vision & Mission Card

THEME:

Swasthya Swaraj- Youth Action for Health, Nutrition & Well-being

VISION

To foster a self-reliant, ecologically conscious society inspired by Sanatan Dharma and Gandhian principles, where youth lead with purpose, compassion, and sustainability.

MISSION

To empower young individuals and local communities through constructive work, inclusive entrepreneurship, and the spirit of Vasudhaiva Kutumbakam (the world is one family).
